Travel policy

Fjord Labs is a fictional company. This document is part of its employee handbook.

Booking

All work trips are booked through the travel desk, at least **ten days** before departure. Trips outside Europe need the approval of a director.

Insurance

Every employee travelling for work is covered by the company travel insurance. The emergency number is printed on the back of the badge.

Carbon budget

Each team has a yearly carbon budget of **12 tonnes of CO2** for travel. When a team uses it up, further trips need the approval of the head of sustainability.
